**Pierre Carlet De Chamblain De Marivaux : The Island of Slaves (Absolute Classics)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Island of Slaves (Absolute Classics):

What will become of us? Four people, the sole survivors of a shipwreck, crawl out of the sea. Two of them are

masters, and two of them are servants; and all four are about to discover what life feels like when the boot is on the other foot. Marivaux's potent mix of laughter, emotion and theatrical game-playing makes him one of the most surprising and most modern of all classic playwrights. Neil Bartlett has adapted this brilliant comedy of role-swapping and redemption, which premiered at the Lyric Hammersmith in April 2002.
