Allen Meyers : The Jewish Community of South Philadelphia (Images of America (Arcadia Publishing)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jewish Community of South Philadelphia (Images of America (Arcadia Publishing)):

0 of 0 people found the following review helpful. Thanks for the MemoriesBy Cindy from So. JerseyI gave this to my mom for Valentine's Day, as both my parents grew up in So. Philly - one Jewish, one Italian. She is seeing some of her memories come to life in this book, viewing one familiar place after another. Her uncle's store was even listed! She is so happy to have received this very special gift, and I am thrilled I could find it for her. As soon as she finishes reading it, we will be sharing the other one together, the South Philadelphia Italians. It definitely was the perfect Valentine's gift!0 of 0 people found the following review helpful. An Excellent ReadBy Meir KuserI highly recommend this book

to those interested in the Jewish community that existed in South Philadelphia in the 20th century. While it was not overwhelmingly thorough due to its size - it was an excellent read as a source of general information. 0 of 0 people found the following review helpful. captures a time not so long ago
By Jane B. Austen
An excellent portrayal of a part of Philadelphia history during a time that some of still remember and the future generations should cherish.

For many Jewish immigrants to America, Philadelphia's row houses provided an instant community of neighbors where they were able to combine the traditions of the Old World with new American ideals. In their flight to a new land and a new life, Jewish immigrants found a place to call home in South Philadelphia. This unprecedented collection of images celebrates the people and places of this community, from their struggles to their triumphs and the family bonds that provided their strength along the way. The Jewish Community of South Philadelphia is a tribute to tradition and pride that will serve as a valuable tool in teaching the history of Jewish immigrants in America. Join Allen Meyers in this exploration of the past that will be enjoyed for generations to come.
