We will love these duets. She is 45 and I am 70. Must get busy while I can still see and my fingers still obey! 8 of 8 people found the following review helpful. Great duet album By D. Clegg Duets are approximately equal in difficulty. I would put them at about a Level 3 (intermediate) in playing ability. Lots of fun duets, many of the classics. 0 of 0 people found the following review helpful. Five Stars By s brannon Great songs that are fun to play, and are easy but sound really good.
