Highly recommended for any fan who wants a lot of hard to find info and interviews.0 of 0 people found the following review helpful. The Killers Days AgesBy Brianna WebsterVery good book very informative on the killers. This tells a story about how they got started through there albums all the way up to battle born. Any fan of the killers would love this.0 of 0 people found the following review helpful. Great Read for Killers Fans!By Michael TThe author uses interviews to write the story of the Killers. It goes into really cool details on how the band all met. It also discusses how Brandon wrote most

of the songs. This is a great read for any Killers fan.

The ultimate story of The Killers' rise from Las Vegas croupiers to million selling global superstars headlining festivals throughout the world. Featuring interview transcripts with the band as well as new interviews with them and those around them right up to their new album *Battle Born*.
