When an eclectic group of pilgrims take turns telling tales while on the road to Canterbury Cathedral, the Knight tells the tale of Arcite and Palamon, two young aristocrats from Thebes who are captured in battle by Theseus. When the

captives spy the beautiful maiden Emily from their prison window, they immediately fall in love and become rivals. This special edition of "The Knight's Tale," one of the most memorable tales from Chaucer's *The Canterbury Tales*, includes "The General Prologue," as well as original Middle English and modern translated versions of this timeless text.
