Hal Leonard : The Last Five Years Songbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Last Five Years Songbook:

I enjoy it!By Violetta ValoriSome people were complaining about "Climbing Uphill"/"When you come home to me" but it is all there and you can choose where to cut for her audition song if you wanted to use it for your own audition. Most of these are too long to take to an audition anyway. I enjoy it!1 of 1 people found the following review helpful. Missing Two Songs and Broken BindingBy CustomerThis copy is missing two songs: "See I'm Smiling" and "A Miracle Would Happen". Why would the publishers keep two songs out? Also, the glue binding on my copy was torn and so the book was falling apart from day one.0 of 0 people found the following review helpful. but anyone more musically inclined than myself will be just fine.By CustomerCouple critical songs missing, but knew this going into the purchase. Some difficult keys to play in, but anyone more musically inclined than myself will be just fine.

(Vocal Selections). Jason Robert Brown, the creator of *Parade* and *Songs for a New World*, has written a distinctive new Off-Broadway musical. *The Last Five Years* tells the story of a failed marriage of 20-somethings: he a successful novelist, she a struggling actress. Her story is told in reverse, his conventionally moving forward. They meet in the middle at the point of their wedding. Brown's strong writing has found a solid following among musical theatre fans. Our songbook features piano/vocal arrangements of 12 songs: *Goodbye Until Tomorrow* * *I Can Do Better Than That* * *If I Didn't Believe in You* * *Moving Too Fast* * *The Next Ten Minutes* * *Nobody Needs to Know* * *A Part of That* * *The Schmuel Song* * *Shiksa Goddess* * *Still Hurting* * *A Summer in Ohio* * *When You Come Home to Me*. "Short, bittersweet and nearly perfect, Brown has come up with a winning combination of music and book." *Variety*

About the Author Patricia began quilting in 1978, very reluctantly! A friend kept after her to go with her to quilting lessons and Patricia finally gave in. From the first lesson, she found she couldn't get enough! Patricia made samplers, Amish-style quilts, and traditional quilts. When her last son left home, Patricia found herself in a quilt shop surrounded by batik fabric and fell in love with quilting all over again. Batiks opened up a new world to Patricia. Jason Robert Brown is the Tony Award-winning lyricist and composer of *Parade*, *The Last Five Years*, and *Songs for a New World* as well as the musical *13*, which he collaborated on with Dan Elish. At his bar mitzvah he sang a song he had written about breaking up with his girlfriend, even though he had not at that time ever had a girlfriend. Jason lives in California with his wife and daughter.
