**Ned Rorem : The Later Diaries of Ned Rorem: 1961ndash;1972** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Later Diaries of Ned Rorem: 1961ndash;1972:

The esteemed American composer and unabashed diarist Ned Rorem provides a fascinating, brazenly intimate first-person account of his life and career during one of the most extraordinary decades of the twentieth century

ldquo;Rorem commands a rare gift of immediacy, a flair for verbal poignancy. He is never less than credible and creditable. He is magnificently committed to his own ideals, wondrously immune to clichéacute;.rdquo; mdash;Los Angeles Times
