I had to rate this purchase on the seller quality and the feedback from my girlfriend, for whom the book was bought. Everything went great the entire transaction from click to recieved , all the way to perfect physical quality of the book. i have seen the film, ut have not yet enjoyed the written story, but if i were to review this from my girlfriends perspective, then i would have to give it 6 stars , 5 for the story and an extra for being so good that i was ready cover to back in well under 24 hours although it isnt necessarily what some would consider a quick read. i believe she said it was in the 300 page area so it should be very clear that i was floating on cloud nine for a few days. if you shop with Onyx, you can relax with a simple click and forget. 0 of 0 people found the following review helpful. Good one! By Kasey S. Heall'm not opposed to the death penalty, and this book doesn't change my opinion. It was just

a good mystery book. The author does a good job of not pushing beliefs on the reader. There are a few quotes here and there, but it didn't distract me from entertainment of the book. I'd recommend this book. 1 of 1 people found the following review helpful. Amazing!! By Christy I started to read this book not really interested. After I started, I couldn't stop. I've been telling everyone I know about it and it really makes you think about your own personal opinion and why on the death penalty. Absolutely a must read. Incredible writing and amazing story telling.

David Gale sits on death row, awaiting execution by lethal injection; an irony not lost on the imprisoned death penalty opponent. Charged with and convicted of the rape and murder of a fellow activist, the former university professor contacts a hardened investigative reporter in a final attempt to clear his name. From her interview with Gale, Bitsey Bloom learns that the case isn't as open and shut as it seems. Convinced that Gale isn't guilty, Bitsey finds herself working on the story of a lifetime; tracing the events that led up to a woman's murder and put an innocent man behind bars, and racing against time to save him.
