O. B. Duane : The Life, Times and Work of Pablo Picasso (Discovering Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life, Times and Work of Pablo Picasso (Discovering Art):

The Life, Times and Work of Pablo Picasso, an eBook in the Discovering Art series, provides an accessible illustrated introduction to the life and work of Picasso. Richly illustrated, the book charts Picassorsquo;s progression from competent representational painter, through his Blue Period, Cubism and the establishment of his own distinctive Modern Art style with the painting, in 1907, of five women in a brothel ndash; Les Demoiselles d'Avignon. To fully

appreciate the lavishly illustrated Discovering Art series, view this eBook on your iPad or download the Kindle app to your Android tablet.
