He's just getting started with the guitar and wanted something simple to use as he learns new chords. This makes a great gift for someone who enjoys guitar.0 of 0 people found the following review

helpful. Five StarsBy bruce morrisonExcellent reference for any guitarist.1 of 1 people found the following review helpful. GreatBy MarcoAn awesome resource, great little size and feel- perfect for chord reference + self teaching, buy it! Although ring bound would be nice to keep it open, it's simple and helpful.

The Little Black Book with all the Guitar CHORDS you'll ever need!This pocket-sized collection presents over 1100 chords presented in an easy-to-read format. Includes fingerings, note names and helpful tips for all guitarists. Also includes a really useful guide to some of the most common alternative tunings, advice on power chords and chord boxes to write your own chords and more.
