David Middleton, Brenda Berry : The Lobstering Life before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lobstering Life:

0 of 0 people found the following review helpful. Five StarsBy snudd1211excellent!0 of 0 people found the following review helpful. Lots of great photos of Lobster boats.By DonA great book that has lots of photos of lobster boats and the people that work on them. I highly recommend this book.0 of 0 people found the following review helpful. A stunningly beautiful look at the lives of lobstermen.By John BregarThis is not just a coffee table book - it is alive with gorgeous photos of boats and fishermen doing their work. The photos are out of this world. You will not be disappointed. Everyone in Maine should own this book. :-)

A whole world comes to life in vibrant color and sharp detail.On May 18, 1605, George Waymouth, captain of the English ship Archangel, anchored in the lee of Monhegan Island, finding shelter from a three-day storm. Putting ashore, the crew found fresh water to drink, wood to burn, and lobsters aplenty in the shoreline rocks. Today, lobstering and lobstermen are American icons of rugged individualism, and their way of life has enlivened and colored the countless bays and coves of New England.The Lobstering Life puts readers in the boats, on the docks, in the bars, and in the lives of the men and women who pull "bugsrdrquo"; from the sea to sustain a cussedly independent, much admired way of life. Not since Peter Matthiessensrsquo;s bestselling Mensrsquo;s Lives has this trade been so vibrantly brought to life.

About the AuthorDavid Middleton, of Danby, Vermont, is the author of several books including The Photographer's

Guide to the Maine Coast, The Photographer's Guide to Vermont, The Nature of Vermont, The Nature of America and The Lobstering Life. He conducts outdoor photography workshops across the country. Professional photographer Brenda Berry's current work focuses on environmental portraiture; she recently completed shooting a project for Save the Children Bhutan. Berry lives on Bainbridge Island, WA.
