Jenny McKay : The Magazines Handbook (Media Practice) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magazines Handbook (Media Practice):

The Magazines Handbook has firmly established itself as the essential introduction to the theories and practices of the modern magazine industry. This fully updated third edition comprehensively examines the business of publishing magazines today and the work of the contemporary magazine journalist. Jenny McKay draws examples from a broad range of publications to explore key jobs in the industry, covering everyone from the sub editor to the fashion

assistant, as well as analysing the many skills involved in magazine journalism, including commissioning, researching, interviewing, and production. Updated specialist chapters discuss the growth and development of electronic publishing and online journalism, new directions in magazine design, photography and picture editing, and the most up to date legal frameworks in which magazine journalists must operate. The Magazines Handbook includes: bull; Interviews with magazine journalists, editors, and publishers bull; Advice on starting out and freelancing in the magazine industry bull; An analysis of 'new journalism' and reportage bull; A glossary of key terms and specialist concepts bull; Information on contacts, courses and professional training.

'This is an accessible and valuable readhellip; I would recommend both books and if you are seriously considering magazines for analysis and production exercises, both the [Magazines] Handbook and the [Magazine] Production book are essential buys.' - Media Education Association Newsletter 'This is an accessible and valuable readhellip; I would recommend both books and if you are seriously considering magazines for analysis and production exercises, both the [Magazines] Handbook and the [Magazine] Production book are essential buys.' - Media Education Association Newsletter About the Author Jenny McKay has worked as a journalist in magazines, newspapers and television.
