It is difficult for me to purchase music on-line because I like to see it. (Some times it is too easy and it's hard to tell from the description). This is just right -- a little hard but not too hard (maybe a for a 3rd year piano student?) It came quickly and we're having a lot of fun.1 of 1 people found the following review helpful. Great PurchaseBy Bonnie LewisWe played duets from this book in church this

past Christmas. Very enjoyable. Easy to accomplish yet with beautiful sounds. I love the work of Dennis Alexander. Well worth the money.

Double the joy of the Christmas season with elegant, inspiring piano duets! Late intermediate pianists will welcome the opportunity to perform some of the world's most beautiful carols, creatively arranged by Dennis Alexander for one piano, four hands. Both parts are musically interesting and rewarding to play. Lyrics are also included.
