In 2015 I ordered book 3 because this one wasn't available on . It was good but had more obscure songs. This book has more familiar songs. My daughter and I loved playing together. (By itself each piece in this book is around an early intermediate. Playing duets, though, is a bit more difficult and so it's nice to have something easier than what we play normally individually.)

This is more advanced music, not as easy melodies to play for recreational purposes. I am still trying to find at least one piece in this book that we can play together with the beginner friend.

Great selection of songs.. a little harder than my kids are ready for but will be great next year

Double the joy of the Christmas season with elegant, inspiring piano duets! Intermediate pianists will welcome the opportunity to perform some of the world's most beautiful carols, creatively arranged for one piano, four hands. Both parts are musically interesting and rewarding to play. Lyrics are also included. Titles: Angels We Have Heard on High * The First Noel * Hark! The Herald Angels Sing * Jingle Bells * Silent Night * Sleep, Little Jesus * We Wish You a Merry Christmas * What Child Is This?
