Five StarsBy ThorGreat updated edition.0 of 0 people found the following review helpful. Five StarsBy Julie SFantastic inside look at the production of Cabaret. This is a must read for a fan of the show.

A handy and engaging chronicle, this book is the most detailed production history to date of the original Broadway version of *Cabaret*, showing how the show evolved from Christopher Isherwood's Berlin stories, into John van Druten's stage play, a British film adaptation, and then the Broadway musical, conceived and directed by Harold Prince as an early concept musical. With nearly 40 illustrations, full cast credits, and a bibliography, *The Making of Cabaret* will appeal to musical theatre aficionados, theatre specialists, and students and performers of musical theatre.
