Hayes, Mark : The Mark Hayes Vocal Solo Collection -- 10 Christmas Songs for Solo Voice: Medium High Voice before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mark Hayes Vocal Solo Collection -- 10 Christmas Songs for Solo Voice: Medium High Voice:

1 of 1 people found the following review helpful. Interesting, original and effective arrangements of traditional Christmas songs. Recommended!By Craig MattesonThis is a collection of very nice contemporary arrangements and medleys of familiar Christmas songs. The accompaniments are interesting, original, and fun to play and require some ability to perform well. The vocal parts are well placed and familiar. I recommend it without hesitation. You will want

two copies. One for the accompanist and the other for the vocalist. My only concerning note is that the printing is sometimes a bit wavy in a note or bar. It is not as visually crisp and clean as it might be. I am NOT saying it is poorly done or hard to read, but that OCCASIONALLY the music makes me think there is something wrong with my eyes when it is the page. I have the medium low voice and I think it also comes in medium high. I am unaware of any other vocal ranges. Recommended! Craig Matteson, Saline, MI 0 of 0 people found the following review helpful. my favorite Mark Hayes songbook By Customer Mark Hayes is an amazing composer. I have many of his songbooks for voice and piano. However, this Christmas songbook is perhaps my favorite! Un fambeau Jeanette Isabella and Sing Joy are two great arrangements among others. I like Sing Joy because it is a medley of various Christmas songs. If you get this book, I highly recommend making sure you buy the one with the accompanying CD as it is helpful to sing along with. It does take some time to really listen to the arrangement on the CD as sometimes the CD will slow down musically. It just takes some practice to become more familiar with it. 0 of 0 people found the following review helpful. Not clear as to content. By Lotts of buying I have ordered many CD's that go with sheet music books but this is not what I am accustomed to. My CD ONLY had the accompaniments. I assumed I would hear performances and accompaniments but there are no performances on my CD. The names of the singers are even printed on the label! On closer examination the description of the item states accompaniments OR performances... I didn't see any place to choose "accompaniments or performances" so I am lucky I got the choice I would have made... if it had been clear to me where to choose. Maybe I just missed where I was to make the choice??

Award-winning composer, arranger, pianist, and recording artist Mark Hayes has crafted an exquisite anthology of Christmas arrangements for solo voice, including traditional carols, art songs, masterworks, and spirituals. Reflecting the arranger's mastery of vocal accompaniment, the piano partners with the voice in true art song style. Available in medium high and medium low voicings, this collection also features accompaniment and full-performance recordings on compact disc with Mark Hayes at the piano. Titles: Bring a Torch, Jeannette, Isabella * Away in a Manger * Sing Joy! * Midnight Noel * Gesu Bambino * Silent Night * Lo, How a Rose E'er Blooming * O Holy Night * The Coventry, Carol * Jesus, Oh What a Wonderful Child.
