**Arthur Hayden : The Masterpieces of Thomas Chippendale - A Short Biography and His Famous Catalogue** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Masterpieces of Thomas Chippendale - A Short Biography and His Famous Catalogue:

This text contains a detailed, illustrated catalogue of some of Thomas Chippendale's most notable furniture designs, coupled with an informative and fascinating biography of the famous cabinet-maker. A wonderful little text that will surely appeal to those with a keen interest in Chippendale's designs and the history of vintage furniture in general, this text constitutes a worthy addition to collections of such literature and is not to be missed by the discerning furniture enthusiast. This text has been elected for modern republication due to its educational and collectable value, and we are proud to republish it here complete with a new introduction on the history of furniture.
