**From Routledge :** **The Methuen Book of Shakespeare Anecdotes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Methuen Book of Shakespeare Anecdotes:

Few playwrights have been more slandered, abused or honoured in performance than William Shakespeare. First published in 1992, this collection of 300 stories focuses on Shakespeare's plays on stage. Organised chronologically, it offers the reader the opportunity to witness the changes in theatrical approaches to Shakespeare

from their own time to the present day. This book will be of interest to those studying theatre, but also to those fascinated by the Shakespeare tradition.
