**Millington-Arbela Historical Society : The Millington-Arbela Area 1854-2004 (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Millington-Arbela Area 1854-2004 (Images of America):

Since settlers first arrived in the mid-1800s, the townships of Millington and Arbela have developed into strong communities with deep cultural roots. This informative book documents the Millington-Arbela area's growth and progress over the course of 150 years, exploring founding families, village growth, religion, business, and education through rare archival photographs and postcards. In celebration of the region's sesquicentennial anniversary, the Millington-Arbela Historical Society takes readers on a detailed visual tour of the area's rich history, revealing the remarkable people, places, and events that have shaped the townships as they are known today.
