The commentaries were extremely helpful when I had to perform one of the monologues in class and did not have time to read the play. The best part about having so many great piece to choose from is that I could always find the perfect monologue for class, auditions, etc. This book is worth buying...I have used it many times!1 of 2 people found the following review helpful. Very niceBy avon92This has many options for monologues. There's something for every actress in this book. Certainly a good choice to buy.2 of 8 people found the following review helpful. fast serviceBy H. B. WOODNeeded this book for my grand daughter's play audition. Thankfully, it came in time for her to choose a piece and audition.
