Nicola Riches : The Music Management Bible before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Music Management Bible:

0 of 0 people found the following review helpful. He loved it. I think I'd purchase again for another ...By YorubagurII purchased this item for a friend of mine, who is a music manager. He loved it. I think I'd purchase again for another friend who's a music producer.

Completely revised and updated, this new edition of the standard music industry textbook includes everything that you need to know as a music manager in the today's fast-changing musical environment. With a special focus on the implications of the digital age for the music professional, this is the essential handbook for anyone involved in the

music business!
