By Tio Diego I highly recommend this book to any serious Jazz composer. Useful, practical and easy to understand. My bible from now on. I was looking for something like this for so long. (Jazz Instruction). A complete musical analysis of one of the greatest jazz masters of all time. This comprehensive text studies and analyzes the works, provides trumpet transcriptions of the solos, and much more. For all music enthusiasts. Songs covered include: All Blues * Four * Freddie Freeloader * My Funny Valentine * Nardis * So What * Solar * Stella by Starlight * Tune Up * and more!
