**Jim Green : The Musician's Joke Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Musician's Joke Book:

Coming from a musical background, I could really appreciate and relate to the humor. A fun little book musicians and music lovers can enjoy and have a chuckle over. 0 of 0 people found the following review helpful. The "best of" standard musician jokes  
By Pat Wheeler  
The jokes are basically funny, but many are redundant to other musician joke books. In other words, I've heard most of these jokes.

A side-splitting selection of one-liners, comic definitions, yarns and witty quotes from the world of music. Most professions have their own jokes, but musicians seem to have more than their fair share. Perhaps it's the insane travel schedule, the bad lodgings or just lack of sleep. But as Jim Green says in his introduction, "...it's not surprising we're a band apart (so to speak), outcasts who seek only our own company, rubbing two jokes together for warmth and trying to feel superior by sneering at one another's abilities and personalities." So maybe the reason musicians love poking fun at one another is nothing more than getting in first before everyone else does. Or perhaps choosing laughter is the only alternative to despair... Anyway, here is a truly great selection of jokes, quotes and stories from the world's second oldest profession. Enjoy!
