Hal Leonard Corp. : The Nashville Number System Fake Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nashville Number System Fake Book:

0 of 0 people found the following review helpful. This is a good basic instruction of the Nashville Number System with a lot of good songs. By CustomerI purchased this book with The Nashville Number System book. This book has a good chapter on reading the charts although it isn't as deep as Chas' book. However it covers everything you need to play the songs as charted. I've only played a couple of the songs so far as I'm really working on other music and trying to learn the system for worship music. I did pull up a Vince Gill song on youtube and played along with it using the chart in the book. It worked very well and was accurate. There are 200 songs in the book but none of them have the lyrics. So if you are expecting a fake book that has chords and lyrics that isn't what you are going to get. And of course you don't get normal chords like C, F G. You Get the song is in C and the chords are 1, 4 5. But of course that is the point. This is a good basic instruction of the Nashville Number System with a lot of good songs. 2 of 2 people found the following review helpful. I really enjoyed this book By George D. BlierI really enjoyed this book. It is a good summary

of how the system works upfront, and a lot of classic tunes to go through to reinforce what you've learned. I had a great time just connecting on YouTube and playing through the songs. 0 of 0 people found the following review helpful. Five Stars By Above the level This is a great addition to any working player's library.

(Fake Book). The Nashville Number System is the standard way for a professional country musician to notate a song. The system has been around since the 1950s, and it rapidly became widespread within the country music community because of how efficiently it can represent music. In essence, a Nashville number chart conveys the harmony, key, meter, rhythm, phrase structure, instrumentation, arrangement, and form of a song all on a single piece of paper. An introduction is included that thoroughly explains how to use the book. Lyrics are not included. This valuable resource gathers together 200 country standards from yesterday's favorites to today's chart-topping hits, including: Achy Breaky Heart (Don't Tell My Heart) * Act Naturally * All the Gold in California * Always on My Mind * Amazed * Battle of New Orleans * Before He Cheats * Before the Next Teardrop Falls * Behind Closed Doors * Bless the Broken Road * Blue Eyes Crying in the Rain * Boot Scootin' Boogie * A Boy Named Sue * Breathe * Coal Miner's Daughter * Could I Have This Dance * Crazy * The Dance * Delta Dawn * The Devil Went down to Georgia * Don't It Make My Brown Eyes Blue * Elvira * Folsom Prison Blues * Friends in Low Places * The Gambler * God Bless the U.S.A. * He Stopped Loving Her Today * Hey, Good Lookin' * I Hope You Dance * I Walk the Line * I Will Always Love You * In Color * Jesus Take the Wheel * King of the Road * Live like You Were Dying * The Long Black Veil * Lucille * Luckenbach, Texas (Back to the Basics of Love) * Mean * Need You Now * On the Road Again * Redneck Woman * Springsteen * Stand by Your Man * This Kiss * You're Still the One * Your Cheatin' Heart * and more!
