**Franz Xaver Kroetz : The Nest (NHB Modern Plays)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Nest (NHB Modern Plays):

Parents-to-be Kurt and Martha just want the best for their baby. They're not afraid of hard work and the latest buggy doesn't come cheap. But when Kurt's boss offers him a chance to make some easy money with a mysterious side job, his rashness catches up with him. A fable about the moral and environmental cost of our

materialistic nesting instincts, Conor McPherson's powerful new version of Franz Xaver Kroetz's *Das Nest* premiered at the Lyric Theatre, Belfast, in 2016 and the Young Vic, London, directed by Ian Rickson.
