**Enda Walsh : The New Electric Ballroom (NHB Modern Plays)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Electric Ballroom (NHB Modern Plays):

A dark fable of the emotionally stultifying effects of small-town life, from the author of *Disco Pigs* and *The Walworth Farce*. Edinburgh Fringe First Award 2008 Three sisters in a remote fishing village, trapped in the years that have passed since their halcyon days at The New Electric Ballroom, are still obsessed by darker memories of something

resembling romance. 'a beautiful and devastating play of broken hearts and maimed lives... Walsh confirms himself as one of the most dazzling wordsmiths of contemporary theatre, and one who has a direct conduit to our wanting hearts' - Guardian 'shatteringly fine theatre' - Scotsman

About the Author ENDA WALSH burst on to the scene with the award-winning *Disco Pigs* (1996), which gave Cillian Murphy his first role. It was subsequently filmed. There followed *Misterman* (1999), *Bedbound* (2000), *The Small Things* (2005) *The Walworth Farce* (2007), and *Delirium*, his adaptation of *The Brothers Karamazov*.
