Many of these songs topped the charts in the 20th century, sung by Dean Martin, Frank Sinatra and many others, and still show up in movies today now and then. This is a goldmine of oldies but goodies.1 of 1 people found the following review helpful. Outstanding!By KBHIt is an outstanding collection. The arrangements are very singable. Some are in English, some Italian, some both. It would have been nice if all had been in both languages. I got very prompt service.0 of 0 people found the following review helpful.
