Merle Haggard : The New Merle Haggard Anthology Songbook (Piano-Vocal-Guitar Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Merle Haggard Anthology Songbook (Piano-Vocal-Guitar Series):

IMHO, he is one of the best singer-songwriters ever. He can play the health out of a Telecaster, too. If you play any country songs at all, most people have heard his songs and lots of his songs are fairly easy to play. If you are like me, it will be easier to play his songs than sing his songs because he has one heck of a natural voice that doesn't need modern day enhancements. Buy The New Merle Haggard Anthology and learn a few of his songs to impress your friends. stocks them and ships them faster than you can say "Twinkle, Twinkle Lucky Star."2 of 2 people found the following review helpful. All of my family's favorites are in it. What a great gift for my brother who sings and plays Merle as well as The original Merle did.
