**Mr. Hughes Oliphant Old : Themes and Variations for a Christian Doxology** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Themes and Variations for a Christian Doxology:

Old says that worship is best understood by means of several distinctive Biblical concepts which are tied together by the word doxology. Through a series of engaging vignettes--from the lamentations of Israel to the supplications of the Benedictine office--Old presents a rich profusion of worship variations that have developed out of the Biblical themes

for a Christian doxology.
