**From Dover Publications : Women: A Pictorial Archive from Nineteenth-Century Sources (Dover Pictorial Archive)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Women: A Pictorial Archive from Nineteenth-Century Sources (Dover Pictorial Archive):

6 of 6 people found the following review helpful. not ideal for designBy robert drawbaughthe other Dover Pictorial Archive came with discs, which made it easy to import into my computer for design projects.due to the outstanding price i can understand why a disc was not included, so i was ready to scan the images i liked, but the paper they used for the book is low quality, the printing inks bleed and the true lines were lost, the images are some what blotchy. The book are great if your ready to rebuild the images in vector, but the images as is will not match up with the crisp edges of the fonts you use while designing. over all i'm happy because they were priced so low and i always re-build Dover work in illustrator, but if your looking to cut and past scanned images into photoshop, the Dover are will look soft.0 of

Some are etchings, some are pencil, and some are paint. I enjoyed it. I think that someone studying art would find this very useful.0 of 0 people found the following review helpful. ... this book as drawing reference but it's so much fun just to look atBy RemyI purchased this book as drawing reference but it's so much fun just to look at! Each page contains drawings of women in any pose and action you could ever want. It's all black and white, but it's beautifully constructed and worth the money. I even ordered a second one for my friend. Great for old art appreciators and art students alike!

Lush allegorical ladies, Grecian maids and Victorian maidens, Indians, Japanese, dancers, housewives, courtesans; women dancing, smiling, working, weeping, flirting mdash; an unusually rich sourcebook of feminine poses and activities, costumes, clothing, everyday life, and much more. Images selected from rare issues of Leslie's Weekly, The London Illustrated News, The Graphic, and more. 488 illustrations.
