Vincent Brook, Marat Grinberg : Woody on Rye: Jewishness in the Films and Plays of Woody Allen (Brandeis Series in American Jewish History, Culture, and Life) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Woody on Rye: Jewishness in the Films and Plays of Woody Allen (Brandeis Series in American Jewish History, Culture, and Life):

A critical assessment of Jewishness in Woody Allen's films and plays

"The best book about movies in years. Some of the essays are stylistically, referentially difficult. That is part of their value—nothing glib, nothing facile, and not much attention to gossip or scandal. This book will thrill all readers. . . . Highly recommended." —Choice
