**Robert R. Bellerose : Woonsocket Revisited (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Woonsocket Revisited (Images of America):

0 of 0 people found the following review helpful. Excellent Historical InformationBy GeorgeHaving spent most of my life in Woonsocket, RI, this is the type of book I was seeking. The rich history of the city comes alive through the large array of photographs..3 of 3 people found the following review helpful. great historyBy optiGreat history for this city, long gone, and forever lost as the old mills and homes are lost to fire. Having grown up in this city, it is a struggle to maintain the old along with the new, and it is nice to see the documentation as seen in this book. Lots of photos, even I had forgotten.0 of 0 people found the following review helpful. Five StarsBy jdGood book.

Recall the bygone days of Rhode Island's northernmost city through the vintage images presented in Woonsocket Revisited. Daily toils and joys as experienced by the residents of this industrial behemoth come to life in these

photographs, which span the city's history from the onset of the Civil War through the close of the twentieth century. Highlights include many of Woonsocket's notable residents, events, and places. Striking images depict the former United States Rubber Company's Alice Mill, the Blackstone Gas and Electric Company, the destructive hurricane of 1938, and the excitement of Mardi Gras.
