Hal Leonard : World's Greatest Standards: For Piano/Vocal/Chords before purchasing it in order to gage whether or not it would be worth my time, and all praised World's Greatest Standards: For Piano/Vocal/Chords:

0 of 0 people found the following review helpful. Good book for recreational piano playingBy vsqpersonIf you are a pianist, this is an excellent book to have in your collection of recreational pieces.However, I gave this rating a 4 instead of a 5 because I, (being 70 years old) expected to know more of the songs listed.The arrangements are OK, but many of these "standards" are pretty hard to sing (if you have a singer looking over your shoulder).

Enjoy more than 50 classic standards, all professionally arranged for piano/vocal/chords. Titles: Ain't Misbehavin' * As Time Goes By * At Last * Bewitched, Bothered and Bewildered * Blue Moon * Blues in the Night * But Not for Me * Come Rain or Come Shine * Don't Get Around Much Anymore * Dream a Little Dream of Me * Embraceable You * Evergreen * Fly Me to the Moon * From This Moment On * How Do I Live * How Do You Keep the Music

Playing? * How High the Moon * I Get a Kick out of You * If Ever I Would Leave You * I've Got a Crush on You *
I've Got You Under My Skin * Just One of Those Things * Killing Me Softly with His Song * La Vie en Rose * Laura
* Leaving on a Jet Plane * Mack the Knife * Makin' Whoopie * Misty * Moondance * Night and Day.
