I took a shot that it would be for the trumpet and it was. Book was what I needed. 0 of 0 people found the following review helpful. Best Ban Student trumpet book By Gerardo Piero Pavone Just excellent. The practice exercises really help.

Yamaha Band Student will appeal to teachers looking for a well-paced lesson sequence that keeps students motivated to continue past the first critical year. It is affordably priced, attractively presented and meets the needs of today's students and educators. Each level includes numerous songs, duets, trios and four full-band arrangements right in the method itself---perfect for first-year concerts.
