before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yamaha Band Student, Book 2: B-Flat Clarinet (Yamaha Band Method):

By Guanella Bought 2 of these books from same seller both are missing staples so pages won't stay in the book when it's on a music stand. Pages are black white, missing pink. 0 of 0 people found the following review helpful. Five Stars By CARINA awesome book - sold out everywhere in town. came fast

Yamaha Band Student will appeal to teachers looking for a well-paced lesson sequence that keeps students motivated

to continue past the first critical year. It is affordably priced, attractively presented and meets the needs of today's students and educators. Each level includes numerous songs, duets, trios and four full-band arrangements right in the method itself---perfect for first-year concerts.
