Feldstein : Yamaha Recorder Student (Yamaha Individual Instruction) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yamaha Recorder Student (Yamaha Individual Instruction):

12 of 12 people found the following review helpful. We're all Beginners at some point! By S. May I remember buying the Yamaha Student books when I was a kid and seeing all the same songs! This time I'm trying recorder because it's more compact/portable than other wind instruments I've played. Yay! This book explains how to read music then step by step introduces new notes while showing their fingerings. Tempo changes, refrains and other notations are added as the student progresses. It also adds duets and trios. Songs: Merrily We Roll Along; Hot Cross Buns; Sailing; Au clair de la lune; Go Tell Aunt Rhody; Lightly Row; Aura Lee; Jingle Bells; Barcarolle; Good King Wenceslas; Rockin' Time; Love Somebody; Shortnin' Bread; Rockin' the Blues; Jolly Old Saint Nicholas; Red River Valley; When the Saints Go

Marching In; This Old Man; Good Night, Ladies; Bugle Call; O Come, All Ye Faithful; Michael, Row the Boat Ashore; We Wish You a Merry Christmas; Largo; The Streets of Laredo; Ode to Joy; Oh, Susanna; Bridal Chorus; Mexican Hat Dance; Frere Jacques; Volga Boat Song; Skip to my Lou; Molly Malone; Lovely Evening; Old MacDonald; Lullaby; Can Can; Let's Row Again; Auld Lang Syne; All Through the Night; Down in the Valley; The Bridge of Avignon; Did You Ever See a Lassie?; For He's a Jolly Good Fellow; Lavender's Blues; Our Boys Will Shine Tonight; Alma Mater; Scarborough Fair

Excellent service from the seller but I didn't find the ...By Erich MopsmeisterExcellent service from the seller but I didn't find the book itself all that great. I much prefer the "Sweet Pipes" series of recorder learning books for both the soprano and alto recorder as well as books intended for youngsters as well as adult oriented books.

A fun way to learn to play the recorder and read music. Contains 48 favorite melodies with lyrics and chord symbols, plus a piano/guitar chord chart. Also contains theory games, duets and a trio!
