Lyrics Born : Yes, Bay Area before purchasing it in order to gage whether or not it would be worth my time, and all praised Yes, Bay Area:

1 of 1 people found the following review helpful. Yes Bay Area!!By Ankle BootsNobody embodies or captures the spirit of the Bay like LB! He nailed it! This book is the funniest ish ever!!

Prompted by the urging of tens of thousandsof Lyrics Born fans on Twitter Facebook,what started as an occasional humorousTweet, has finally been developed into a book. Idquo;Yes, Bay Areardquo; is a 2 year compilationof

insightful musings on the rich, diverse, often quirky culture of the San Francisco Bay Area. With his signature style sense of humor, LB delivers Tweet after randomly hilarious Tweet with an inside edge that only a lifelong resident native son of "The Bay" has. Also featuring the artwork of Eddie Colla, "Yes, Bay Area" is as much a travel culture guide as it is an homage to the uniqueness of the San Francisco Bay Area. lyricsborn.com bull; yesbayarea.com@lyricsborn bull; facebook.com/lyricsbornmyspace.com/
