Kawanabe Kyosai : Yokai Wars: Demonic Manga by Kyosai before purchasing it in order to gage whether or not it would be worth my time, and all praised Yokai Wars: Demonic Manga by Kyosai:

0 of 0 people found the following review helpful. It is Kyosai. It is incredible art. Japanese ...By Stevie MoonIt is Kyosai. It is incredible art. Japanese master of the brush. He is a demon of painting. This book will show this.

Kawanabe Kyosai (1831-1889) was an artist of eclectic styles, but remains perhaps best known for his personal pantheon of demons, Hell creatures and night monsters, which he drew in ever-more elaborate configurations, driven on by alcoholic dementia. This mania peaked in the 1880s, augmented by explorations of infernal tortures and human butchershops. "Yokai Wars" is a special art ebook which collects two of Kyosai's most complete sets of colour sketches themed around demons, monsters, devil-animals, and visions of Hell. These 52 images, dating from 1879 and

1889, showcase the artist's deranged vision at its most inventive, delirious, darkly humorous and at times sadistic.
