Bud E. Luv : You Oughta Be Me: How to Be a Lounge Singer and Live Like One before purchasing it in order to gage whether or not it would be worth my time, and all praised You Oughta Be Me: How to Be a Lounge Singer and Live Like One:

1 of 1 people found the following review helpful. Funny, insightful, and different!By JLouiseThis is so fun and if you read between the lines, you can get even more out of it.1 of 1 people found the following review helpful. This book SLAYED me!By Michele HartIf you are familiar with the huge stars of the 40s, 50s, 60s and a few of the 70s, buy this book! It made me cry with laughter and did the same to my mother. I actually got this book free, but they'll pry it from my cold, dead hands! This book is hysterical, and if you don't read it, you're going to miss some funny stuff. I've never

read a funnier book. 1 of 1 people found the following review helpful. So You Wanna Be a Lounge Singer? By Jay Tee After seeing Bud E. Luv (who bills himself as "The World's Greatest Entertainer") performing recently at San Francisco's Razz Room, I just had to have this book. It is laugh-out-loud funny. Mr. Luv (as he is known to his friends - some of whom are the biggest celebrities on this planet), tells us how to dress, how to accessorize, and most importantly, how to become the ultimate lounge singer. This book is hysterical - and almost as good as seeing Bud E. Luv and his band in person.

You Oughta Be Me: How to Be a Lounge Singer and Live Like One is the hilarious guide to becoming a lounge singer, by none other than Bud E. Luv; lounge singer extraordinaire. Learn how to properly croon into a microphone and how to deal with adoring fans ("don't ever let them touch your hair"). The New York Times raves, "The humor is on target."
