E V Crowe : Young Pretender (Oberon Modern Plays) before purchasing it in order to gage whether or not it would be worth my time, and all praised Young Pretender (Oberon Modern Plays):

"We've been in revolution since I was born. I never had to die before" A young rebel. A brutal victory. A devastating

defeat. Aged 25, the charismatic Bonnie Prince Charlie laid claim to the thrones of England, Scotland and Ireland in a series of stunning military victories. By the time he was 26, his dreams lay in ruins and he was fleeing for his life. Amidst the chaos of war, the Young Pretender is forced to decide how far he is willing to go for the cause. The flawed prince is brought to life vividly in this unflinching look at the nature of rebellion. E. V. Crowe (Kin, Royal Court, 2010) brings the brilliant but flawed Prince to vivid life in this fast-paced new play, taking an irreverent look at Britain's rebellious past against the backdrop of the world's rebellious present. Watford Palace Creative Associate Nabokov is an internationally acclaimed new writing company. Previous collaborations include *Bunny* (Fringe First winner), the critically acclaimed *2nd May 1997* and *Is Everyone Ok?*
