About the Author In the two decades since Ozzy Osbourne hired him away from his job at a New Jersey gas station to become his new guitarist, Zakk Wylde has established himself as a guitar icon known and revered the world over. Writing and recording with Osbourne led to multiplatinum success, inspiring him to create the now-legendary Black Label Society in 1998. Wylde has won nearly every guitar award imaginable, and is a major influence on a new battalion of rock guitarists. Writer, photographer, and fellow Berzerker Eric Hendrikx is a notable contributor to more than a dozen books, including Forrest Griffin's New York Times bestsellers *Got Fight?* and *Be Ready When the Sh*t Goes Down*. A lifelong musician, Hendrikx played guitar in the rock band Snake River Conspiracy. He currently lives in Southern California with his son, Stone.
