Aha!By bob lewisFills in so many blank spaces and answers so many questions! read this along with Douglas Reed, Mike Peled, and Norman Finkelstein.2 of 3 people found the following review helpful. A treasure trove of real-time history you won't find anywhere elseBy Truth InsisterThis three-book series is historical, enlightening, and contains info you won't find anywhere else. I discovered Avner Cohen writing a whitewash of the facts in Hart's series in an Op-Ed in the NYT within the last two months (Cohen didn't name Hart). Since most people rarely research, Cohen's 'set of facts' will probably prevail as truth.But Alan Hart was

there; he was the lead Middle East reporter for ITN (think that's the name of the network), and reported for the BBC, in England. Hart got the interviews with Golda Meir and Sadat and Yassir Arafat. Cohen didn't. Hart was the one sitting with Meir in her study for hours while Meir's Knesset cabinet cooled their heels in Meir's kitchen waiting to talk to her. Not Cohen. Hart was at Golda Meir's deathbed at her request, and heard her final words. Cohen wasn't. Hart covered the important Middle East wars. He is the Middle East's Edward R Murrow. He doesn't spare either side and he obviously had close personal relationships with both Golda Meir and Yassir Arafat. It's not hard to believe that both of them trusted Hart to tell the truth and present them fairly. The only unfortunate thing about this series is the title. It should have been titled "Golda, Sadat, and Me" or "Golda, Yassir, and Me" because it reflects the insider info you're getting far more accurately. The current title may be one of the conclusions you're left with, but it's not the meat of the series. I think Hart's editors were trying to kill his book with that title. 0 of 0 people found the following review helpful. Five Stars By patrick bentzley The truth and nothing but the truth.

The False Messiah is Volume I of a monumental history of the Israel-Palestine conflict, *Zionism: The Real Enemy of the Jews*, by a seasoned reporter with a vast first-hand knowledge of the Middle East. It is the first book to put the struggle for Palestine into its global context; to show how all the pieces of a complicated jigsaw puzzle fit together. It's also the first ever account of events to address the motives, needs, and dilemmas faced by all sides: diaspora Jews; real fear of Holocaust II; the Palestinian right to justice and self-determination; the legitimate anger of the Arab masses at American support for Zionism right or wrong; and the inevitable corruption and repression of the regimes of the existing Arab Order who, fearing harsher Israeli assaults, have tried to contain them. From the beginning, the conflict pitted a well-financed First World nation of European colonialists who held the upper hand in terms of military hardware, air power and capability against an essentially feudal Third World Arab nation. The False Messiah sheds new light on: The early Zionist relations with UK, German and US governments; Zionism's contribution to bringing the US into World War I; Zionism's role (and that of domestic non-Zionist Jews) in the diversion of Jewish refugees, first from Russia, then from Germany, to Palestine rather than to the US, UK or elsewhere, sabotaging, inter alia, Truman's efforts to provide visas to the US for 100,000 Jewish immigrants; Truman's belabored decision-making processes leading to his recognition of the State of Israel, against the advice of 3 US Secretaries of State and his Secretary of Defense who all asserted the US's best interest was alignment with the Arab world; The expansion of the Israeli state beyond its UN-recognized borders immediately upon its creation, and how it was made possible by Israel's military superiority even from its pre-creation. At no point throughout its history, Hart contends, has Israel ever faced an existential threat; to its existence. As a former BBC Panorama and ITN Middle East correspondent, Alan Hart knew and interviewed most of the main players in the Israel-Palestine conflict (Golda Meir, Moshe Dayan, Shimon Peres, Yasser Arafat and other PLO leaders, George Habash, Nasser, King Hussein of Jordan, King Feisal of Saudi Arabia, and many others). He also exhibits a wealth of research into a full spectrum of viewpoints.
