Reporter's knowledgeable impression of the most critical issue of our day - sequel By Eyad Kadri I read this book in hard copy, but decided to acquire it in the electronic version. The book gives a fresh and unbiased look at the most critical political issue of our times. The author deals with all parties equally and objectively. He exposes the political undercurrent agenda concealing it by the all times deviousness of people's exploitation of religion, which is the easiest way to amass followers through inflamed faith-based emotions of belonging and fear, bypassing logic and rational thinking. Similar to what we see the reaction of the politically

motivated religiously under covered Islamic what so called terrorism today, and elements of Christian terrorism. The author analyses the issue from his perspective and brings the reality of another kind of terrorism that impacts the livelihood of people through incriminations and corruption to neutralize any descending voices. 3 of 3 people found the following review helpful. Zionism Vol 3 By E. Paul Mobley MD Brave man with an insightful work, all members of congress should be required to read this. His insights continue, today, on his web site. Do not miss it. MSM and the US Court Historians provide such a biased version, denying reality.

Conflict Without End, Volume III of Hart's multi-volume work, ZIONISM, THE REAL ENEMY OF THE JEWS takes the story from the 1967 war and the creation of Greater Israel to the present and the question: Will President Obama be allowed to deliver an acceptable amount of justice for the Palestinians in order to achieve peace for all, and, if he can't deliver, is a final round of Zionist ethnic cleansing inevitable? Chapter 2, The Liberty Affair — "Pure Murder" on a "Great Day", tells the incredible but true story of Israel's deliberate attack on the American spy ship and how the truth was covered up, allowing the Israelis to get away with the cold-blooded murder of American service personnel. Chapter 3. Goodbye to the Security Council's Integrity, contains the key to understanding everything that has happened since the 1967 war. By allowing Israel to violate international law and settle the occupied territories, the major powers, led by America, effectively created two sets of rules for the behaviour of nations — one for all the nations of the world minus only the Zionist state of Israel and the other exclusively for it. This third volume includes insights Hart gained while acting as the linkman in a secret and exploratory dialogue between PLO chairman Yasser Arafat and Israel's Shimon Peres who, at the time, was the leader of the main Conflict Without End, Volume III of Hart's multi-volume work, ZIONISM, THE REAL ENEMY OF THE JEWS takes the story from the 1967 war and the creation of Greater Israel to the present and the question: Will President Obama be allowed to deliver an acceptable amount of justice for the Palestinians in order to achieve peace for all, and, if he can't deliver, is a final round of Zionist ethnic cleansing inevitable? About the Author A former ITN and BBC Panorama correspondent, Alan Hart has a vast amount of first-hand knowledge of the conflict in and over Palestine. Over more than three decades he enjoyed intimate access to many of the leaders on both sides, and in particular, Golda Meir, Mother Israel, and Yasser Arafat, Father Palestine. Hart's book Arafat, Terrorist or Peacemaker?, first published in 1984, invited readers to consider the proposition that the PLO leader was ready, willing and able to make peace on terms which any rational government and people in Israel would accept with relief. Hart was also a participant at leadership level in the secret politics of the search for peace (as an intermediary between Arafat and Israeli opposition leader Shimon Peres when it was presumed that Peres would become prime minister
